Dear parents,

Every year we send out registration packages that explain what camp is and what we plan for your children. This letter will properly explain the behaviour policies that have been put into place in order to keep the camp enjoyable for everyone. At TCRC, we have certain expectations that campers need to meet in order to ensure that we can provide quality programming for the week. As well, Calvary Temple, who owns the camp, has expectations that we need to abide by. As parents, you need to know that if situations arise, we will manage each one in accordance with these expectations. With this in mind, in an effort to impose accountability on the part of the campers, we have created this behaviour contract. It outlines our expectations as well as consequences for not following these expectations. Please read it with your child and put both your and your child's signature at the bottom to let us know that you are in agreement. If you have any questions, please email me at [shhalbesma@gmail.com](mailto:shhalbesma@gmail.com).

If the following behaviours/actions occur, parents will be called immediately in order to pick up their child and take them home:

- Sneaking out of cabins after curfew
- Vandalism/theft
- Any behavior deemed unsafe or detrimental to the camp or the campers

All other behavior/actions will be dealt with at the discretion of the camp director and consequences will be matched appropriately.

We're looking forward to another awesome year and seeing your child at bible camp.

Thank You. God bless,

Scott Halbesma – Camp Director
